CPE Credit

Financial Executives International is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of

accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org.

For FEI CPE credits, one credit hour equals 50 minutes according to NASBA guidelines. Some state boards may differ on how many minutes constitute a credit hour. Contact your state board for information.
